Mazher Nizar, Dr. Mohamed Basahi & Mrs. Basahi at the Art Exhibition in Canada - October 14th, 2009

The members of "Al-Ittihad" or "Ottawa United" had much to be happy about. They had recently returned from Toronto, where they had won the North American Yemeni Championships for the second year in a row, July 24th, 2009

Queen of Sheba Event on Parliament Hill – Sept 29th, 2009
Featured here is a group of well-known Canadian Parliamentarians, including the Speaker of the Senate, Noel Kinsella whose affection for Yemen is legendary.

The Yemeni Canadian Community in Calgary without doubt is unique among other Yemeni communities in North America. In addition to immigrant families, new families have been formed by the graduating Yemeni students. If they shared one thing, it would be their feeling of belonging to their Yemeni origins. If they desired one thing, it was to connect with their fellow Yemenis in this Canadian young city, Calgary.

Dr. Marty Robinson, founder of the Canadian Medical Delegation is shown at his home in London, Ontario. He proudly displays some of his amazing artifacts and awards that he has collected on his tremendous and generous work, devoted to Yemen over the years April, 2009.

A group photo of Yemeni Students and Community members gathered together during the Yemeni Art Exhibition on October 14th. This photo clearly shows a very happy group of people surrounding their beloved artist Mazher Nizar.

Yemeni kids are taking their chance to learn Arabic & English for better future in Canada

On the occasion of Eid Al-Fitr, a reception was held at the Official Residence for the members of the Yemeni community and students in Ottawa September 20, 2009.
